Bidders are obliged to take note of the answers listed below that the client provided in response to questions of potential bidders in the context of the tender specified above. The answers represent changes, additions and specifications of the tender documents; they hence constitute an integral part of the tender documents and become a legally binding part of the contract.

No.	Reference	Question(s)	Answer	Answer was provided on:
1.	8. Application Process and award of contract	Would it be possible for you to share an indicative budget with us?	Budget cannot be shared with the applicants, as the price is one of the criteria (weight: 30%) for assessing and comparing application dossiers.	28 April 2025
2.	8. Application Process and award of contract	a. Have you got an idea of which country will be selected? b. How can we propose a cv of national consultant partner if the country is identified after with the consultant?	a. No – this will be decided together with the consultants. b. You may propose the country(ies) you think should be visited, together with the proposal to include local consultancy partners. However, the final decision on countries will be made together by GRC and the selected consultants. We also published a list of countries where GP projects are being implemented via this link: List of Countries implementing Global Projects 2.0.	30 April 2025
