

Bidder questions about the tender “Mid-term review for Global Project II” – 10th September 2021

Question 1:

“We would like to get a sense of the number of projects/grantees involved in the program. We understand that there are 4 sub-projects as highlighted in the TOR (anticipation, DRR, urban, and health) but how many projects/grantees are clustered under each? Are the 4 sub-projects ‘themes’ under the GP II program?”

Answer to question 1:

The 4 sub-projects are part of the review. Operational projects linked to the 4 sub-projects (testing, piloting or advised by the thematic areas...) can be analysed exemplary where needed. The main focus of the review is on the 4 thematic sub-projects (urban, DRR, anticipation and health).

The 4 sub-projects are under GP II.
